

Thursday 24th September 2026

Dear Parents and Carers,

As we settle into the new academic year, I am writing to invite you to join us for two key upcoming events designed to share our vision for the year ahead and deepen our partnership with you. At our school, we are deeply committed to ensuring that every child flourishes both academically and personally, and working closely alongside our families is vital to achieving this vision.

To outline our clear path for the year, both myself and our Executive Headteacher, Mrs. Wilkinson-Tabi, will be hosting our School Priorities Meeting on Wednesday, 30th September at 4:00 PM. During this meeting, we will present our core strategic focus areas for the academic year. We will discuss how we are strengthening direct, transparent lines of communication with leadership, continuing to drive high standards through our Mastery in Maths framework, rolling out our new Behaviour Curriculum to ensure consistent expectations across every classroom, and pursuing official National Autistic Society accreditation to ensure our learning environments remain truly inclusive for all children. We will also share insights into how our Greenwich South Hub model enables us to draw on shared expertise to elevate our leadership and Early Years provision.

Following on from this, we want to ensure you have a dedicated, open space to engage with these focus areas in more detail. We will be hosting our first Parent Forum on Friday, 2nd October from 9:30 AM to 10:30 AM. This session will offer a collaborative space to ask questions, offer feedback, and explore our plans together. To help us prepare for the discussion and address the topics that matter most to you, please take a moment to complete our short Google Form <https://forms.gle/Uf9jpgUzpxcvYCwk6> if there is a specific question you would like to ask or a topic you would like to bring to the table.

Kind Regards

Joshua Croucher
Head of School
